Properties on Thelma Street

Co-Mingled Recyclables Collection

Materials are co-mingled and collected by Waste Management in carts or bins, as shown.

Collection of mixed recyclables is available to businesses at *no additional charge*.

Acceptable materials include many types of paper, as well as food and beverage containers made of glass, plastic and metal.

About 68% of the businesses in the City participate in this program, of which more than half started in the past three years.

Organics Collection

Rates are *half the price* of garbage service. Businesses may use carts or bins, as shown.

Acceptable materials include:

- fruits and vegetables
- untreated wood
- meat, fish, poultry and dairy
- food-soiled paper

One hundred-eleven businesses participate in this program, of which more than half started in the past three years. The finished compost is used as a soil amendment.

中華麵廠

Chef's Corner Foods

Chef's Corner Foods is a food processor supplying nutritious and affordable food to K-12 school districts across the country.

Chef's Corner Foods recycles about 90% of their waste using the recycling programs described previously. They also re-use their cardboard boxes and recycle their plastic film.

John Barros, VP Product Management/Managing Partner

Accepting this award is John A. Barros, VP Product Management/Managing Partner.

Claudia Magana, Store Manager (far right) and staff

Church's Chicken

Church's Chicken, located at 390 West Tennyson, is a quick-service food establishment specializing in fried chicken, classic sides and biscuits.

Church's Chicken recycles about 77% of their waste through their participation in the programs to collect organics and recyclables. They also comply with the City's Ordinance banning polystyrene foam containers.

Accepting the award is Ken Cui, Owner, and Claudia Magana, Store Manager.

Ken Cui, Owner

Fremont Bank

Fremont Bank is one of the oldest independently owned and managed banks in the Bay Area.

Fremont Bank has color-coded indoor containers throughout their facilities to collect recyclable and organic materials, including paper towels in the restrooms.

They recycle about 47% of their waste.

Accepting the award is Sandi Redmond, Director of Facilities and Logistic Services, and Beth Fancher, Facilities Manager.

Sandi Redmond, Director of Facilities, and Beth Fancher, Facilities Manager

Manheim San Francisco Bay

Manheim San Francisco Bay is a wholesale vehicle auction facility. They provide a reliable and secure market where used car buyers and sellers are able to purchase a variety of vehicles.

Manheim San Francisco Bay has implemented recyclables and organics collection, and diverts about 77% of their waste from landfill. Reusable dishware is used in the dining area. Environmentally-friendly cleaning products are also used.

Accepting the award is Mike Valderrama, Facilities Manager.

Pot Pie Paradise & Deli

Pot Pie Paradise & Deli, located at 3522 Arden Road, prepares sandwiches, soups, salads and pot pies with international gourmet flavors.

Pot Pie Paradise & Deli has implemented collection of recyclables and organics, thus diverting 67% of their waste from landfill. They offer reusable containers for dining-in and comply with the City's Ordinance banning polystyrene foam food containers.

Accepting the award is Theresia Gunawan, Owner and Manager.

Theresia Gunawan, Owner and Manager

Taqueria Senaida's

Taqueria Senaida's, located at 150 West Tennyson, is a Mexican restaurant with drive-thru service.

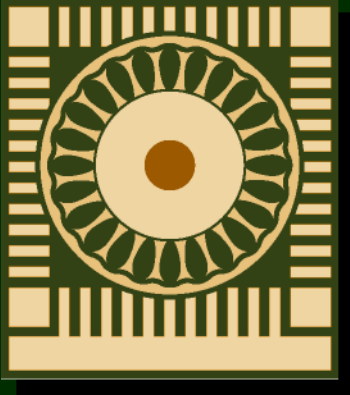

Taqueria Senaida's has implemented recyclables and organics collection, and recycles about 60% of their waste. In order to comply with the City's Ordinance banning polystyrene foam food containers, they switched their to-go containers to recyclable and compostable containers.

Accepting the award is Manager Ruben Garcia.
